SPECIAL RECOGNITION

As we wrap up the month of March, Women's History Month, we want to honor one of the women pillar of our organization, Ms. Blessing Nkama. She is one of our board members and our first legacy scholarship funder with this year being her 3rd straight year of funding. As a young professional under 30 years old, we commend her philanthropic endeavors and dedication to impacting other young people.

Her strong education background and faith based values has shaped her approach to service and community impact. She continues to make meaningful contributions through her commitment to empowering others and fostering positive change. She is a mentor, singer, consultant, and an advocate. Join us in honoring her.

As a reminder, we are 4 weeks away from the gala. The scholarship application is closed, we are reviewing essays and students will be notified by this weekend. If you haven't bought your ticket, hurry cos early bird pricing ends soon.

NOTE: Legacy scholarship is one of our scholarship program solely funded by an individual or entity with eligibility determined by the funder. Minimum legacy scholarship amount is now \$1,500.

Email or call us, to learn more.
